

# Circle Selfies

- Draw a **picture of yourself** in the circle, EITHER **as you are now**, OR **as you hope to be** in the future.
- Include **clues** that show your **hobbies or interests**, the **subjects you enjoy**, or the **job you'd like to do**.
- Finally, make sure to add lots of **vibrant colour** to your drawing, so that the **whole circle** is filled in.
