D. Marketplace Membership

The aim of The Marketplace project is to provide fresh, affordable, healthy food for people in the SO14 area (Membership is awarded on a first come first served basis), and create an inclusive, supportive environment and to work in ways that support your independence and your journey towards wellbeing.

We are a membership project which means we work with the members in shaping and growing the project and would welcome your collaboration and participation in the project. We value your input and feedback as your voice and views are very important to us. If you aren't happy with the service you receive from the Marketplace or have concerns about any aspect of the project, please speak to a member of the Team or contact the SCM Office through office@southamptoncitymission.co.uk or on 02380 550435.

Marketplace agrees to: -

1. Provide a safe place in which you can take part in the project activities.
2. Do our best to source 15 items of fresh, affordable, healthy food for you per visit.
3. Treat members with kindness, dignity, respect, acknowledging differences in culture, faith, personality and respecting individual views and feelings.
4. Get to know you and support you as part of the community. We hope to be able to let you know about other groups or projects that you may be interested in, these may be outside or inside of the Marketplace project.
5. Provide weekly Marketplace sessions on Thursdays at Saint Mary's Church.
6. Provide opportunities for you to participate in, bringing your skills and gifts to the project.
7. Marketplace will comply with current COVID regulations.

PLEASE NOTE:

- * Items available may vary from week to week due to availability from our suppliers
- * To ensure fairness to all, some products may be limited to 1/customer
- * There is no guaranteed availability of any item each week.
- * The Marketplace may stock items that have passed their best before date. Best Before dates are about quality not safety. When this date has passed it doesn't mean that the item will be harmful but it may begin to lose texture/flavour.

3. Bring your own bags for the food.
4. It is your responsibility to ensure that you check food ingredients for any intolerance or allergies that you or your household may have. (When we receive unlabelled items; The Marketplace will try their best to provide a list of ingredients on a separate sheet).
